

An aerial photograph showing a coastal area. At the top, there is a sandy beach with several buildings scattered along the shoreline. Below the beach is a green field with a network of light-colored paths or tracks. The text 'Stütspunkt Vigsö' is overlaid in the center of the field. In the lower right, there is a note about 'løbegravene' (running tracks) visible 60 years later.

Stütspunkt Vigsö

Bemærk løbegravene,
- synlige 60 år efter...
